Experience

JUNIOR APPLICATION DEVELOPER, INTERN| PHLEX PAYMENT LIMITED | JANUARY 2024 – JUNE 2024

- Developed responsive landing page templates for the company's various products using HTML, CSS, and JavaScript.
- Built and integrated APIs into the company's system to streamline and optimize the transaction process.
- Led a team of interns, managing task delegation to ensure that all project goals were completed efficiently and within dedicated timelines.
- Wrote clean, maintainable code and provided thorough documentation that enabled a seamless handover for new developers after the internship period.

Open-Source Contributions

ASTRONVIM COMMUNITY | COC.NVIM EXTENSION FIX

- Identified and diagnosed a critical key mapping conflict between the Coc.nvim and nvim-autopairs plugins that prevented proper auto-completion.
- Authored and submitted a patch that resolved the issue by disabling the conflicting plugin and re-mapping essential keys (<CR>, <Tab>) to restore expected functionality.
- The pull request was accepted, improving the user experience for developers using the Coc.nvim extension within the popular AstroNvim environment.

Projects

IKENNE | MICROFINANCE BANK LANDING PAGE

- Tech stack: *Vue,js, Tawk.to*

VENTIII (IN DEVELOPMENT) | EVENT MANAGEMENT SYSTEM

- Tech stack: *Vue.js, Nuxt.js, Tailwind CSS, Drizzle ORM, SQLite, Cloudinary, BetterAuth*

Education

BABCOCK UNIVERSITY | JULY 2025

- BSc. Computer Science (Information Systems).
- **Relevant Coursework**: System Design, Data Structures and Algorithms, Object-Oriented Programming, Software Engineering, Web Development.
- **Certifications**: Graduate Member, Computer Professionals Council of Nigeria (GMCPN), New Horizons Certification {which includes CompTIA A+ (Core 1 & 2), Oracle Database 12c Administrator Certified Associate, Oracle Certified Professional (OCP), Java SE 8 Programmer}
